JOKE OF THE WEEK

As luck would have it, Mick Malthouse, Nathan Buckley and Eddie Maguire all died in a horrific car accident and arrived at the feet of god in heaven. God looked down upon them and offered them a seat beside Him in paradise, if they could each tell Him what they believed in. Mick went first explained that he believed in appreciating things of beauty and treating others as you would like to be treated. God was pleased and offered Mick a seat to his left. Bucks went next and said that he believed in passion and commitment, as he demonstrated in his years on the footy field and in his personal life. God was deeply moved and offered Bucks a seat to his right. Eddie was left standing and God looked down at him and asked "Eddie, what do you believe in?" "I believe," Eddie replied, "that you are sitting in my seat."

SHARK ATTACK

Preliminary Finals Sat 8th Sept. from 12.15 pm
B Grade: vs Rostrevor OC @ Woodville Oval
D Grade: vs Tea Tree Gully @ Panther Park

**ROCS AND WOLVES BEWARE:
 HERE COME THE SHARKS**

The two remaining senior Henley teams will look to continue the sensational example set by the junior grades and reach the Grand Final by winning their Preliminary Finals this week. The U9's, U11's, U13's and U15's all made Grand Finals, bringing 3 premierships flags back to Sharks Park. The B's and D's will be striving to make it 6 Grand Finals from 9 teams, and perhaps even 4 or 5 premierships in 2002, which would be a feat rarely matched by any club before.

The B grade again got away to a flying start, booting 5 goals in the first quarter. However good sides never give up and the Gullies fought their way back into the match, with only 1 goal separating the sides at $\frac{3}{4}$ time. The Wolves kicked away to a 7 point lead late in the last quarter but a behind, followed quickly by a goal levelled the scores. A snap for a point from Ado (Andrew Denholm) with 1 minute to go proved to be enough to get the Sharks into the Preliminary Final against Rostrevor this week. Marty Jeffries was superb and will need to fire his boys up again to get over the Roc's and into their 2nd consecutive Grand Final.

The D grade also had a great win, albeit by a much more comfortable margin than Patty's boys. The D's were leading by 7 goals midway through the last quarter when a huge brawl broke out, lasting for more than 10 minutes and effectively ending the game. Luckily the Sharks suffered no serious injuries from the ugly melee, however one player was reported and several were sent off following the incident. Still Jimmy's boys made it through to the Preliminary Final again and this week will face a much tougher opponent in Tea Tree Gully at Kenilworth.

WHITE POINTERS

Well done to the U11's, U13's and U15's on winning their Grand Finals last Sunday. They celebrated in style at the club, with the parents looking more excited than the boys. Well done to the junior Sharks. PREMIERS 2002.

Commiserations to the U9's on going down in their GF, but there is still a lot to be proud of after having a great season. Best of luck for next year boys!

What's Bately doing running around in the D grade?!? Judging from the stories of his 65-metre goal on the weekend, maybe he should be over in the USA trying out as a punter at a NFL club! Bit of difference in pay between Division 8 Reserves and professional Grid Iron Bately!!

At a meeting the other night it was determined that there is about \$5000 owing from players in match payments, club membership and drink money. This money is owed by players from ALL grades, and all players received invoices showing exactly how much they owe, last week. If you think the amount you have been invoiced is incorrect, speak to club treasurer Ernie Dean or Vice President Ian McDonald. Come on guys, help out the club by paying your money to Ernie or your team manager, then maybe there will be more money to put back in to the club to make conditions better for YOU!
