C/D Grade Vs Tea Tree Gully @ Pertaringa Oval,
Steventon Drive, Banksia Park

SHARKS MUST MURDER GULLIES

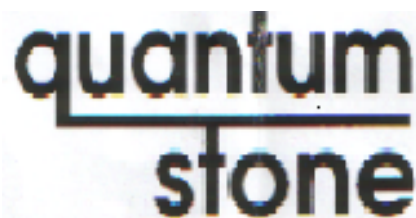

The Henley Sharks will be looking to repeat their fantastic effort of several weeks ago by performing a clean sweep of all four grades, this time against the Tea Tree Gully Wolves.

The A's desperately need a win to force their way back into the 5. It is a very even competition and Henley will need to win the majority of their remaining games to play finals. Last week was extremely disappointing; the Sharks were ravaged by injury and went down to Gepps Cross by 65 points. The best for the Sharks were Nathan 'Barry' Caldwell, big Robbie Lukosius, 'Pretzel' Parker, Lambo and the coach Grant Levy.

The B's put in a fantastic 2nd half against the 2nd side in Gepps Cross last week, but unfortunately it was not enough to pull back a shocking 1st half deficit. The B's are about one quarter of good footy away from being one of the best sides in the competition and will be looking for some revenge against the top placed Wolves this week after a similar loss in Round 3.

The C grade flogged a struggling Broadview last week by 99 points, 18. 11 (119) to 3. 2 (20). Many C grade players would be surprised at the lack of fight in the Broadview side that has been the bane of our season on so many occasions, and would be absolutely loving belting the crap out of them. Best last game were Hawker, Andy Bray and Col Zammit while Wayno Ellis booted 4 with DJ, Tonka and Lowie all slotting through 3. The C's face a big challenge this weekend against the Wolves, a win will almost assure a finals berth while a loss could see them out of the 5. Go Sharks!

The D's came off a bye which suited coach Jimmy 'Super Coach' fine because it meant he didn't have to rock up so damn early last week! (Translation: he spent all Friday night down the Henley pub!) However the D grade also have a tough game and need a win to stay ahead of the pack.

 Don't forget the **Mexican** night this Saturday at the club. Dress up in your best **Mexican** attire and enjoy a night of margaritas, sangria and all else that is **Mexican**!

 **Goog** didn't hide his disappointment at the dismal numbers at the club last week. Perhaps it had something to do with the fact that the World Cup Final was played on a Sunday night rather than a Saturday night as mentioned in this column last week. Thanks **Dav!!!**

 **Kitey** nearly decked me for the bad-mouthing of his cooking last week. For the record, **Kitey** has done a fantastic job as head chef and his meals always receive rave reviews. Especially now he's got **Lisa Carpenter** helping out, however the beautiful wife of the B grade coach had trouble dealing with young **Blake** as well as cooking at the same time. Who knows, maybe next week battered **Blake** will be on the menu.

 Happy birthday to **Jimmy 'Super Coach' McCabe** for last Saturday. The D's topped off his day with a unopposed win against Broadview.....(it was a forfeit.)

 Hey, who was the A grade player who woke up at the club chairman's house on Sunday morning? Rumour has it he had to borrow a tracksuit to go to training in.....
