# UPCOMING SOCIAL EVENTS

The next few months are jam packed with social events and it would be great to see as many supporters, players, sponsors, family and friends attend and get involved with these events.

## 2011 Annual Henley Ball

The Henley Ball is by far one of the most popular social events held throughout the year. Each year the ball continues to get better and better, and this year will hopefully take the cake.

We are mixing things up and trying a new venue this year, the Adelaide Entertainment Centre.

Tickets are \$100 which includes a 5 hour drinks package, food and entertainment (popular band The Ex Men).

The Ball is a great night out, so round up a date, or your partner, or even bring a group of friends along, the more the merrier and everyone is welcome. Tickets are selling fast, so see the GLAMS as soon as you can to secure your ticket.

Its 'cocktail' dress, so time so suit/frock up!

## Bogan Bingo & Fancy Dress

This season we are trying a new event called Bogan Bingo (combined with Fancy Dress).

Bogan Bingo is the only comedy game of bingo that has all its number calls linked to songs from the 80's and 90's, as well as paying tribute to Australia's past and present heroes. It's a theme that makes it easy for everyone to dress up, rock out, and get involved in some serious bingo fun.

During 2 games of Bingo, the numbers are continually prompting parts of songs, jokes, group 'shout outs' and air guitar competitions that continually have the crowd being the stars of the show. It's a night where you don't have to think, giving you more time to drink!

Following Bogan Bingo a DJ will be playing, so hang around in your fancy bogan style and kick on late into the night.

Tickets are \$10, see the GLAMS for more details.

# CLUB SONG

**(Nah Nah Nah Nah Nah Nah)  
Nah Nah Nah Nah Nah Nah)  
We are the navy blues,  
We are the old dark navy blues,  
We're the team, that never lets you down,  
We are the team from Henley town,  
We'll strive together, in any weather, give in we never,  
We are tough and mean,  
We are the mighty Henley team!**

## Scratchers Scribe (A-Grade)...

I must admit that I was a little anxious last Saturday afternoon. Perhaps the late starting time gave me too much time to think. Would the lights be ok? Would the weather stay fine? Would the players be raring to go? Well thankfully the answer was 'yes' for each question.

Playing Goodwood Saints is always a tough challenge and after a poor performance the week before we needed to show some immediate improvement. With a few adjustments to the game plan and a focus on increasing our 'one percenters' we maintained control of the game for most of the night. We had many fine performers with **Nigel Osborne** providing plenty of run from the backline and **Jared Wright** competing solidly in the midfield. **Vinnie Rugolo** also played a wonderful game up forward.

However, irrespective of the success of the A grade and B grade on the night, it was certainly pleasing to see a large crowd in attendance during and after the games. In particular, thanks to all involved with the **C & D grade** for showing their support. This week we face an undefeated Gaza side. I am looking forward to this challenge and I am certainly expecting our players to meet the challenge head on.

## The Whitehouse Report (B-Grade)...

After coming off such a high after last weeks win against S.H.O.C., it was important for us to make sure our form continued with a win over Goodwood. We went into the game making 5 changes to the side. Into the side came **Brent Frewen** for his first game for the club. **Luke Stanbridge, Ev Bennetts and Michael Corbett** were welcome additions to the side and playing his first game back from a hefty suspension from last season's Grand Final was **Lee Pastyn**.

Overall I think we fielded our tallest side in history. Thankfully the weather Gods were on our side.

The match itself was an even first half, but we managed to kick away in the second half to run out eventual winners by 52points. Final scores were Henley 15-10 def Goodwood 7-6. Goal kickers were **Harvey** with 4. **Broughton and Stanbridge** 2 each and singles to **Bennetts, Daniel, Frewen, Kempf, Rex, Rosewall and Wilsden**. Best players on the day were **Broughton, Martin, Lawless, O'Donohue, Davoren-Searcy and Lee Pastyn**.

With half the season gone, we are sitting equal top with S.H.O.C. We have only lost the one game which was the first game of the season to Gaza by 1 point. We take on Gaza after the break in a game I know the lads are looking forward to. Hopefully we can get one back on them.

Well done to everyone involved with hosting the clubs first senior night game against Goodwood. It was a terrific night and a good turnout.

# Clubrooms Improvements –have your say

## Clubrooms meeting Wednesday 20<sup>th</sup> July from 7pm

Please come along and have your say on if, when and how we undertake our clubrooms improvements or upgrades.

For several months now we have had some concept plans posted on the website and copies have been posted on the windows of the clubrooms last week. Well done to **Tim Jones** for drafting such excellent drawings.

These plans have been put together by a subcommittee of experts from our club - **Heath Price, George Charalabidis, Mike Lockett, Andrew Pierson, Tim Jones, Peter Mehaffey, Terry Kildea amongst others**. Different people have also contributed their ideas and the discussions have been wide ranging – this is fantastic.

The subcommittee were tasked with putting together some concept plans for discussions. These plans have been shown to Council and other people for information only! **No final decisions have been made**. Our process is to get input from as many people and experts as possible so we can come up with the best outcome for our club.

Different scenarios have been suggested and this meeting on **Wednesday 30<sup>th</sup> July (7-9pm)** allows members, players, supporters and sponsors to listen to the options and then have a say. We would like to finish the evening with a **clear plan on what we want to achieve, how much it is likely to cost, what time period is needed, how much money we need to contribute and what external funding sources may be approached for assistance**.

**Scenario One – do nothing except maintain current rooms.**

**Scenario Two – expand the clubrooms towards the oval, possibly including a canteen upgrade.**

**Scenario Three – add another storey with a meeting room, multi-purpose function room and bar/kitchen like in the concept plans.**

Another scenario has been promoted from outside the club, that of knocking down the clubrooms and building a mega facility shared by several clubs. This would mean that the vast majority of the funding would come from external sources, however, the committee has rejected this option as we wish to protect and maintain our current leases (24 years to go) plus our bar licence. HFC members cleared and planted the first grasses on the new oval and built these rooms – we will protect our heritage.

SO KEEP THIS DATE FREE, have discussions with others before hand and come along to listen to the scenarios being explained and then have your say. See you then.

# PREZ PERSPECTIVE

## THANKS TO THE FOLLOWING PEOPLE FOR THEIR GREAT WORK OVER THE PAST FEW WEEKS

**Phil Burgess** – he cleaned all the graffiti off the scoreboard before our night game and also fixed the down pipes which had been vandalised. Thanks buddy.

**Darryl Pearce, George Charalabidis and Andrew Wiseman and all the Cs and Ds** for organising the fantastic support the As and Bs – well done. Your cheering and good fun added to the event and the cleanup was done quickly and efficiently. This sets the scene for more of these opportunities. The committee was very happy with it and we are now working to look for more opportunities with player groups to have their own area with licence, BBQ and other facilities - great work!

**Trev Jones and Brad** for putting up the new door on the scoreboard shed. Many thanks to **Juniors** for getting the door. We can now use this an overflow storage area for goal posts and padding and extra BBQ and other stuff.

Big thanks to **Mike Lockett and Bob Enright** for the major upgrade of our electrical systems and inside and outside lighting. The cost was \$1,900 was taken out of the infrastructure account. This included a donation from the **Juniors** in consideration of the grant provided by City of Charles Sturt ward money (thanks to Jim Fitzpatrick) for a set of guernseys for the new U16s side.

Also many thanks to **Shane Stone** (Rexel) who was able to get us a great deal of equipment and fittings. Now we have efficient outside spot lights, a series of security lights with a darkness timer, power for the BBQs, power and light in the shed and upgraded switchboards,. The internal lighting was also upgraded. These changes represent a major upgrade for us – many thanks to **Stinger** for his hard work getting all the lights and fittings back in after the insulation was installed.

A million thanks to BBQ master **Tony Hess** for his hard work getting the yiros done, also to **Mark King** and **Mike Lockett** for their hard work keeping the canteen and BBQ running. Good work **Maz** and your lovely **sister** in the canteen and on the BBQ. Great stuff **Big Frank** who was stoic in his hard work on Saturday then backing up again for a big effort on the Sunday. Thanks to **Joy** for helping out also and we wish **Tammy** a quick recovery as we miss her as well.

Thanks to **Nick, Virginia, Ash, Megs, Jan** and other committee and other volunteers who worked so hard at the night game. We would not have been able to do it without you!!!!!!!!!!!!!!

# CLUB HISTORY

## Season 1947

1947 was the birth year of the Henley & Grange Memorial Oval. With encouragement from the 1946 Henley Rovers team and its friends, the Henley & Grange Council purchased about 14 acres of empty land behind East Terrace at Henley Beach. It needed to acquire the land from about 6 different private property owners with a total cost of about £2800 (pounds). Upon completion, the new Henley football oval from goal to goal, was marked out running in an East-West direction and also included about 10 tennis courts. Mrs McNamara, a local neighbour, was the hero of the new oval, donating sandstone from which a Club shed was built.

With the new playing field came a new Club identity in the 'Henley Two Blues'. It joined a newly reformed 'West Torrens District Football Association' in which previously had folded in 1926 and with a surplus of teams, the league was able split into 2 divisions, formally known as the Blue Division and the Gold Division.

Henley itself, also having a large number of players, was able to submit a 'Henley A-Team' into the Blue Division and a 'Henley B-Team' into the Gold Division. Our neighbour Grange, friend and rival, participated in the association's Gold Division.

Henley's playing uniform was a dark blue jumper, with a light blue 'V' and light blue collar. It wore dark blue socks with light blue folded over tops and dark blue shorts.

The inaugural administration needs of the new Club were attended to by President Perce Johns, Chairman Alf Griffiths, Treasurer Norm Odlum and playing Secretary Peter Ardill. The inaugural Coach was former West Torrens player Pat Martin.

Former 1920s and 30s Club Chairman Cyril Chambers, who previously was the Mayor of Henley & Grange, was now the South Australian State Minister for the Military and agreed to be the 1947 Chief Club Patron.

## A-Grade

Back on the field, the senior team unfortunately missed out on victory in 1947 Blue Division Grand Final against the undefeated Flinders Park and were runners up in the first season of the new league. No records of a B-Team's season have been found.

The inaugural best & fairest winner at the Henley & Grange Memorial Oval was Arthur Pearce.

## Club Highlights

In July 1947, having undertaken to provide a new set of Football Guemseys for the Henley Beach Public School, the Club raised funds by hosting a Henley Oval football carnival for all the schools of the far Western District. The business men of the Henley community provided 12 trophies for best players, foot races and kicking contests. The carnival day also included the official opening of the new oval at 3:15pm by the Mayor of Henley & Grange, A. E. Northey.

Later, it was said that after raising \$1500 possibly from this carnival or another, the Henley & Grange Memorial Oval was surveyed, levelled, and redesigned to run in a North-South direction. Dimensions were made to be identical to that of the Adelaide Oval.

The Club was previously based at the Grange Oval through the 1920 and 30s and at the beginning of the century before 1920 it played at an oval on Beck Street Henley Beach.
