PRESIDENTIAL ADDRESS

Hi you Sharkers – footy is back! Isn't that fantastic! GO YOU MIGHTY SHARKS!

With a number of new coaches and the return of some excellent 'oldies' there is a great expectations right across the club for a year where we go even further than 2009 – there is some unfinished business for several teams and with the promotion of our Cs and Ds to A6 and A6R, there is unfinished business for the As and Bs.

The seniors play this week, the Juniors start next week. On behalf of the whole club let me wish all the best to the

coaches, team mangers, players, support staff and all our supporters.

There has been a host of work happening behind the scenes and I would like to thank Wingers, Sandy and Darti for working so hard to get the clubrooms back into footy mode. Thanks also to Mike, Tammy and Joy for getting the canteen organised and once again we will have some great food coming through during game time. The GLAMS (Danielle, Vicki, Nat, Teresa, Megan, Ashlee, Sue) has pulled together an exciting function program so make sure you get those dates into your diary. Don't

forget to bring along some new people to these functions, as they provide an excellent way to introduce people to the club and show them what great times we have. There will be some joint functions with the Juniors so we are hoping to see lots of parents and supporters getting together.

We have a hard working committee with a number of sub-committees (see contacts below), however we are always looking for more people to help, so contact any of us and volunteer your services, many thanks.

Here are the main contacts for our committee:

CAPTAINS BLOG

Well folks, it's great to be getting back into the footy for another season and it's even better to be having a kick at home first up against the SHOC's.

Pre-season's been solid for most, and included a weekend camp over at Port Hughes. A majority of the lads turned out which was good but there were a few notable absentees. Rusty was busy trying to top Glenn McGrath's average (batting), Sammy Daniels was bulking up and Seamus was too busy building a trophy cabinet to train.

There's a few new faces around the place this season, Trent Kelly's brother Cowboy has joined us from Port Districts, Turns' brother Adam has also got on board (uncanny family resemblance) and the crime writin'/crime fightin' McGregor brothers, Ken and Sean have hopped on board. Leigh O'Donohue is down from sticks, Timmy Rosewall is back from the mountains and Hermy's back from somewhere. Luke Pastyn never left, but he'll be back not-so-much bigger, but better than ever with his new knee.

Certain to be back this year are our veteran brigade Scratcher, Lettsy, Harry (yes ladies, he's older than he looks) and Hally if he feels like it.

Also, Kitey's schnitzels are still on every Thursday and the big man assures me that his recipe remains unchanged. Goon still runs the bar and Greggy Lawless promises to continue to hold it up. Wingers will be on the mic every Saturday telling everyone to shut up, Hally will relentlessly tap the whiteboard during team meetings and Teresa will provide our best feed of the week. So despite the fact there's been a few changes around, the engine room remains the same and it's bound to be a good year for the Sharks.

See ya next week folks, Reds.

HALLY'S SPILL

Its been a long tough pre season for the boys but I couldn't be more happier with the way they have gone about it. We started on November 30th and have trained twice a week with optional sessions as well. The fitness programme was constructed by David Barnes and run by Tony Yarlis. It would be fair to say those two lads haven't been to popular over the pre season.

The highlight of the summer was our pre season camp to Pt Hughes where the players were put through some gruelling physical and mental hard work.

Not one player complained not one player pulled out of anything, it was quite amazing how they went about it.

We have some new coaches to the club this year with Stewy Whitehouse taking over the B's, Daryl Pearce with the Div 6 A's and Orgy with the Div 6 B's. All three are very passionate football people and I look forward to working with them this year. Ashley Place is also new addition to our coaching ranks with him being appointed as A Grade Assistant Coach. Great to have Place still at the club.

We have lost a couple of players from last season with John Lee heading to Kadina, James Stewart back to the Eagles and Daniel Proud to the Riverland.

We have picked up some quality through with Sam Fairclough a tough quick nuggetty on baller returning to his junior club. Another ex Henley junior Ken McGregor is back if you haven't heard, and I don't need to tell you about his background and how good he is. His brother Shawn is here as well but unfortunately he snapped his Achilles through pre season. There is an outside chance he will be back late in the season and we hope this is the case as he has been the best C.H.B in the competition for the last 8 years. Another Henley junior Adam Turner has returned to the club and he has done a fantastic job in the A grade trials so far. We have also been able to get Ryan Kelly from Pt Districts a very skilful tough as nails H.B.Flanker. Lee O'Donohue is a welcome addition to our midfield and is sure to add some grunt around restarts. And finally Tim Rosewall and Craig Herrmann have returned to the club and we look forward to seeing them in a A grade jumper soon.

I must thank some people for the work they have done over the pre season. Tony Dart has been a great help do all the things football, Dos O'Sullivan for the 3 phone calls I get a week asking me if I need anything and is everything going alright. David Barnes for helping with pre season and showing the passion he is renowned for. Barnsey wont be playing with us this year as his work commitments are too much. He will be a big loss to the group. And last but not least Tony Yarlis who has been amazing for me with everything he has done to prepare the boys for each pre season training. Tony will be the A grade runner this year and it will be great to have such a quality bloke and passionate Henley person around the group.

To finish I would love to encourage all Henley supporters to attend as many games as possible this year. We aim to play very fast attacking exciting football with a big emphasis on tackling and defensive pressure. So if we can put it all together it should be a very good watch.

See you Saturday!

STEWIE'S SPEECH

With the pre season drawing to a close, all players were glad to start playing trials and get some much needed match conditioning.

Being trials the emphasis was on looking at what talent we had coming through and with Hally electing to not play a number of his senior players in all the trials, it gave the Reserves a chance to have a good look at the young, up and coming players at the Club.

Unfortunately, you can only play 21 each match and with a number of players due back into the A Grade come Round 1, this means a number of players drop back into the B's and

the domino effect has a number of the players, who trialled in the B's going to the C's.

Unfortunately that's life, nothing is meant to be easy and it's just as hard for me to make the decision on who goes, as it is for the individuals to accept the decision.

What we look for in this situation is how individuals react; how do the players perform that have been selected to drop out of the side they have trialled with leading up to the first round. Do they take it on the chin, react positively and prove to the coaches they should have stayed up in the higher grade, or do they spit the

dummy and mope around thinking their world is collapsing around them.

Hopefully for their sake and the Club's, we have the positive attitude and they fight like hell to push for selection in the next game.

Good luck to everyone, in what promises to be another strong season for the Henley Football Club.

SHARK'S SIXERS—TOMMY PITMAN

Following on from the success of 2009, the Div 6 Sharks squad has a lot to look forward to in 2010. with a new and very professional coach in Darryl Pearce and the return of a number of quality players, the Div 6 squads look to build on the achievements of last year.

Undoubtedly it will be a challenging year facing nine A grade clubs, all looking to push up the Divisions. The focus for us for the year is to be competitive week in, week out against whichever opposition we come up against.

Our match this week is against a hungry Houghton Districts side who we

beat in last years grand final. If we can match their desperation for the contest we will be sure to be competitive. I cant remember winning at Houghton, so to snatch a win up there in round 1 would be a fantastic confidence builder to start the year.

All the best to Hally, Stuart, Orgy and Nemo in the other senior grades for a successful 2010.

DIRTY D'S REPORT

You can smell it in the air its finally here and the wait has been worth it. Round 1 is always a good test for the year to come and the Dirty D's are itching to get their campaign on the way. Still hurting from rand final loss last season we have something to prove and with a massive pre season from all the boys the season ahead is ours for the taking.

A lot of our faces are back and with a great mix of new blood along with the old firm the Dirty D's will be the team to beat. I welcome our new A grade

reserves coach Peter Organ Orgy with open arms. His enthusiasm and football knowledge is second to none and he will be a fantastic coaching acquisition for the Henley Football Club.

We venture out to play Houghton at Houghton football oval where we played against each other last year in Div 7, with a lot of success. Also the venue brings back great memories last year where it was our great preliminary final victory over Athelstone.

Get behind the Dirty D's express because its going to be a hell of a ride in

2010.

Welcome to the new coaches in Stewy, Pierso and Orgy and welcome back Hally best of luck to Div 1 A's and B's and the Div 6 A's and B's.

Regards George.

THE PHANTOM

A Well known Henley primary school teacher was spotted entertaining crowds at the Sports Bar Lakes Hotel, obviously very thirsty at the crows game because he was very Wobbly!!!

BEWARE OF THE PHANTOM!

GLAMS

Hi everyone, we have had our first function of the year with the Meet the Coaches which went well, I would like to thank Tony and George for cooking up a great spit and for all the other people who helped on the day, Dos, Vicki, Mick etc, and the bar staff.

Next function is on Saturday 10th Band Night -Tongue and Cheek \$5.00 entry 8.00pm till late. Hope to see everyone there to enjoy the start of a great season for Henley Sharks.

Next is Anzac Day with a great game of footy rivalry between the Sharks and Port Districts, hope to see everyone out for that one, (there may be a band keep you posted.)

The 8th of May is another day to keep free, Past Players Day, Henley V Goodwood Saints so get that one in your diary

The Glams will Keep everyone posted with what are the up and coming functions throughout the season.

Go the Sharks!

BAND NIGHT * BAND NIGHT

JOKE OF THE WEEK

A man calls home to his wife and says, "Honey I have been asked to go fishing at a big lake up in Canada with my boss and several of his friends. We'll be gone for a week. This is a good opportunity for me to get that promotion I've been wanting, so would you please pack me enough clothes for a week and set out my rod and tackle box. We're leaving from the office and I will swing by the house to pick my things up. Oh! And please pack my new blue silk pyjamas."

The wife thinks this sounds a little fishy but being a good wife she does exactly what her husband asked. The following weekend he comes home a little tired but otherwise looking good.

The wife welcomes him home and asks if he caught many fish. He says, "Yes! Lots of Walleye, some Blue gill, and a few Pike. But why didn't you pack my new blue silk pyjamas like I asked you to do?"

The wife replies; "I did, they were in your tackle box."
