CLUB SONG

(Nah Nah Nah Nah Nah Nah)
(Nah Nah Nah Nah Nah Nah)

**We are the navy blues,
We are the old dark navy blues,
We're the team, that never lets you down,
We are the team from Henley town,
We'll strive together, in any weather, give in we never,
We are tough and mean,
We are the mighty Henley team!**

LAST WEEK'S MATCHES

The Whitehouse Report (B-Grade)...

After the disappointment of last weekend's loss to S.H.O.C. it was important for the B's to bounce back with a win against Goodwood at Goodwood. You always expect a hard, tough contest out there and that is exactly what we got. To all the players credit they responded from last weeks loss in the best possible manner with a gutsy 5 goal win which knocks arch rivals Goodwood out of finals contention. For the first 3 quarters the game was fairly even but our last quarter was arguably one of the best quarters of team footy we have played for a while. We totally out ran, outworked and outplayed Goodwood in what was a terrific win as they had everything to play for to earn a finals berth.

Final scores were Henley 13-6 def Goodwood 8-10. Goal scorers were **Sam Harvey** who continues his excellent form with another 5 goals. **Kurtis Cox** back into the side booted 3 Goals and singles to **Francis, Gill, Alex Newman, Rex and Rosewall**. Best players in a terrific team effort were **Michael Batten** who was superb for the entire game. **Alex Newman** played well both up forward and in a tagging roll. **Michael Francis** was lively on a wing and half forward. **Tim Broadbent, Kurtis Cox and Sam Harvey** were all solid contributors. I want to also give a mention to **Sam Daniel, Tim Rosewall and Ev Wilsden** who all played well.

On ending there was a downside to the game with the serious injury to **Shaun Letts**. Lettsy was our best player in the first quarter until he copped an erratic elbow to his face. Lettsy had to come from the ground and was taken to hospital by ambulance where he was examined. The extent of his injuries were very serious with surgery required to repair a fractured eye socket and 9 stitches to a cut on his nose. I know the whole club wishes Shaun well and we are all hoping he has a speedy recovery. Knowing Lettsy as we all do I know finals will still be on his agenda. **Stuey**
