After 7 rounds the C Grade sit equal 2nd on percentage with a total of 36 players running through the squad so far. The first part of the season has been an impressive settling period for the C grade team despite the large numbers of players being involved. However, our consistent aim to play fast, attacking football has been taken up well and led to some amazing passages of play! This is reflected in the fact we are ranked number 1 in total points scored up until round 7. Our defence needs a little bit more help as we have conceded a few more points than we would like but overall, this is a young group with plenty of upside. Our goal for the next part of the season will be to improve the consistency of our game plan, mostly through executing our skills, but also developing more onfield communication and leadership. Our most consistent, better performers have been Xaviour Couroupis, Sam Muegel, Cooper Rogerson, Adam Mallen, Jack Richardson, and Bailey Michell.
