---

First of all, I would like to thank all of the Senior Coaching Group, the support staff, the trainers, the HFC committee, the sponsors, the volunteers, and the broader supporter base who have all assisted getting our 2023 playing group onto the park for our Rd 1 game against Edwardstown on Saturday just gone.

Preseason 2023, which started in December would be our best opportunity to develop, communicate, teach and train our 'brand' of football – A brand that encourages confidence and composure out of the back half, run/carry/forward handball between the arcs, deep F50 entries and manic frontal pressure combined with disciplined mild press which we believe will engage the players and the supporters, and will lead to sustained on field success.

As a senior coaching group and leadership team we promoted our key drivers for success, inclusive but not limited to Participation, Proactivity, Purpose, and Gratitude which has been embraced by all.

In March we saw two impressive trail game performances, introduced 6 new recruits, and showcased a few of our up-and-coming talented teenagers.

Unfortunately, on the weekend the final result didn't go our way – a narrow loss in the end, where a little better execution of the fundamentals may have seen the result reversed, however a lot of positives came out of the game which we will reflect on with pride.

We welcome PNU today, which I suspect will be another tight contest, we individually and collectively look forward to the challenge.

## ROUND 1 WRAP UP

Round 1 was played at Shark Park in front of a great home crowd.

Great game by all. So good to see the link up and support as we ran in packs and hunted the ball.  
All the preseason training has paid off.

We jumped out fast with the first goal on the board within 1 min of the first centre bounce. From there we never looked back to kick 6 goals in the first qtr to Gawler 1 goal. This continued in the second qtr as our pack running dominated Gawler all over the ground. When the footy went into Gawler's forward line, our backs stood strong and rebounded with precision ball movement. A strong premiership 3rd qtr meant the last become a relaxed game.
