# BBQ Adelaide

---

BBQ Adelaide began in late 2020. The founder Troy Barnes has had a long love of quality BBQ since a young age. Barnesy won his first Weber Q in a raffle in 2012 and developed a passion for quality barbecue ever since.

BBQ Adelaide is about creating quality products and educating everyone about how to make a perfect steak, every time. With our in-store demonstrations daily and fun cooking classes, we aim to share our passion and cooking skills with the broader community.

# From The Coaches Box

---

*After 4 rounds the B Grade sit 3rd on the ladder with 3 wins and 1 loss.*

While winning is always important, the club & coaches have made a very conscious decision to play and look at as many young and up-coming potential A-Grade footballers in the first half of this season, before potentially settling the side down a bit later in the year as we push to play a part in the finals.

As coaches we couldn't be happier with our start to the season so far. Our young side has embraced our new game plan this year, along with our values and most importantly the players seem to be enjoying their football at the Sharks.

It's a long season of course, but after the first four rounds we are very happy with the progress of our B Grade side, and we very much look forward to the challenge of Rostrevor at home this week.

## **- Greg Hawke, B Grade Coach**

# Henley Heroes News

---

**For only \$50 JOIN the Henley Heroes NOW!**

All money raised by Henley Heroes goes back to your football club.

# Henley High School Oval Illumination

---

Over the last 2 years the HFC has been the successful recipient of competitive grant funding and together with the HFC has replaced our existing lighting with a modern state of the art LED lighting system at Memorial Oval.

We were then able to redesign and reuse the existing towers fitted with LED lights for relocation to Henley High School's Senior Oval.

The objective of the HFC was to create a community sporting hub the likes of which does not currently exist in the Western suburbs.

Henley High School, with the support of its Principal, the school community, the Department, and relevant Ministers is to form a part of this sporting hub.

This project is now complete and has created a first-class sporting hub that along with the broader community, we can all feel quite rightly, proud to have achieved.

*On behalf of the committee of the Henley Sharks Football and Netball club we thank all those who help to make this happen. Including:*

*- Paul Caica*

*- Rod Hill*

*- BCE & CJ Electrical*

*- McMahon Services*

*(for removing the light poles from Henley Oval and relocating them to Henley High School at no cost)*
