# From The Coaches Box

---

Well, what a start to the year with the first two games playing the grand finalists from 2022.

A 'trial by fire' undoubtedly!

After a hard pre-season the fitness work of the women teams is proving to be a great team attribute, with the ladies running out the four quarters in every game. Training numbers are improving which is allowing for better drills and bonding between players.

The women's coaching team and committee are very appreciative of all the girls that are filling in for the 'B' grade. We are in a building phase of the 'B's and the signs are looking good!

It is very reassuring when the SANFL girls are "keen as mustard" to pull on the Sharks Guernsey and along with the existing players we can achieve greatness again this season.

As they say, it's a marathon not a sprint.
