COACHES

Focus of coaches will be development of players skills with safety and welfare as a priority. Ongoing support and training will be offered via various means dedicated to player development. Coaching Director will be available for advice and guidance. Coaches are responsible for ensuring all players play equal court time throughout the season and ensuring all players have the opportunity to learn multiple positions.

It is not a requirement for a coach to hold an accredited qualification. It is encouraged however this would be at the expense of the individual.

The coach has access to the coach coordinator should any problems or concerns arise with players, parents or officials.

Captains

The coaches of under 8's, under 9's and under 11's will adopt a rotating captain for the team. Adopting a rotating captain or appointing a captain in the under 13 age group will be at the discretion of the coach. The under 15 age group and above the coach will appoint a captain and vice-captain for the season.

Court time

The coach is not obliged to consider player absence or unavailability when calculating equal court time in the minor rounds.

The coach to ensure all players must take the court for at least one half per game during the major round games.

HENLEY SHARKS NETBALL CLUB

TRAINING

The appointed coach will be responsible for deciding the training day and time and communicating that to the team.

The process for deciding the training day and time is at the discretion of the appointed coach; they may ask for each player's availability or they may choose a day and time that is best suited to their own availability.

Should a player be unavailable on the decided training night, negotiations between player (parent/guardian) and coach should occur to determine a suitable agreement to be inclusive of the player and fair to the team.

If difficulties are encountered in negotiations the coach can seek assistance from the Coach Coordinator to facilitate an outcome.

During the winter season the Club expects compulsory attendance at training. With exceptions being illness/injury, holidays or as agreed in training negotiations (as per above).

Training during the school holidays is not compulsory and can be determined by the coach.

Unexplained non-attendance at training may result in less court time, unless otherwise agreed in training negotiations.

The coach shall plan appropriate training sessions that encompasses the capabilities of all players.

If the coach is unavailable to attend a match or training session, they should attempt to arrange a suitable alternative person to coach.

In the event of inclement weather, it will be the responsibility of the coach to assess and determine if attendance at training is required and to then contact each of the players' parent/s and ensure an acknowledgement is received.

The coach must advise the secretary of any cancelled trainings.

FILL IN PLAYERS

In the event a team has insufficient players for a scheduled match a club player must be sought in the first instance.

Insufficient players mean 7 players or less.

A team with 7 players has sufficient players to play the match and do not need a fill in.

HENLEY SHARKS NETBALL CLUB

The coach may seek a fill in player as the 8th player (a substitute) as per Club policy; a Club player filling in must play minimum 2 quarters, an external player is NOT to play more court time than a Club player.

Fill ins will not be sought as the 9th player of a team.

The order and process of seeking a fill in player for Under 8 – Under 17 is:

1. A player should be sought from a lower Division team of the same age group as negotiated between the coaches.

Assistance can be sought from the coach coordinator.

Any player who fills up must be played for a minimum of 2 quarters.

2. In the event a player cannot be sought from within the Club an appropriate player may be approached from the Club waitlist.

Assistance can be sought from the Club Registrar.

The player must be registered prior to the match and not be registered with any other Club.

This player must NOT play more court time than a Club player.

The Club is unable to guarantee a wait list player who fills in of a position in the following years.

3. If no Club or wait list player is available an external player can be sought.

The external player must NOT play more court time than a Club player.

A player from a below age group can also play up and can play 2 games in one day if times suit. The player filling in must not have their court time reduced with their usual team if filling in for another.

As per SAUCNA rules and regulations a maximum of 4 matches can be played by a player playing up. After 5 matches in the higher team, they must remain in that team for the rest of the season.
